

# GÖTALOG 2000

## FOURTH WORKSHOP ON THE SEMANTICS AND PRAGMATICS OF DIALOGUE

June 15–17 2000

Götaglog 2000 will be the fourth in a series of workshops that aim at bringing together researchers working on the semantics and pragmatics of dialogues in fields such as artificial intelligence, formal semantics and pragmatics, computational linguistics, and psychology. This year's workshop is organised in collaboration with the EU-sponsored TRINDI project.
